## Notes:

- Ch1 or ch2 at beginning of rounds is included in stitch count as first stitch.
- If pattern says to sc or dc in "**first**" or "**same**" st, stitch in the first **dc** st of prev row (not the ch 2 space).
- If pattern says "sc 3", sc one time in each of next 3 sts. If pattern says "2sc", complete 2 sc sts in one st.
- Pattern is worked in rounds. Join the last dc of each round to the ch 2 at the beginning of that round. DO NOT TURN. Continue working in same direction throughout.
- To add color changes, join new color at the beginning of a round. Continue to work as written.
- Stitch counts in brackets include ch 2 at the beginning of each row.

# Instructions

Use 5mm (H-8) crochet hook and worsted weight yarn.

To change yarn colors between rounds: when joining end of round with a sl st, insert your hook into beg ch 2 and bring up a loop of the new color to complete the st. Continue next round with new color.
