Note:

As the title says, this is a revised version of my original pattern. I am really sorry if I confused you last time.. I spent many time again to write this new version, so I hope, that this time, it will be all clear now. If you find something confusing, please write me on this e-mail: vendula.maderska@seznam.cz

Dear girls, I am very happy you like my design, but please notice, this pattern is not to teach you how to crochet a pattern, you should know the basic crochet skills.

This cardigan is not difficult to make. The hardest part is probably the yoke ... you need to keep counting the stitches on every round to be sure the increases line up properly. Working from the neck edge down, the chart below gives instructions for the yoke. After Round 24, separate the yoke into two fronts, the back, and two sleeves

**Please read ALL notes carefully before starting
to avoid having to rework.**

Note 1

I have made this cardigan in various color combinations; I decided to leave only two, the cardigan from first page.

Note 2

The yoke is worked in a 2-round pattern ... 1 round of DC followed by 1 round of SC. Count the number of stitches while working every round to avoid having to rework rounds.

Note 3 - very important

Begin every round of DC with 3 CH, then make a HDC in the very first stitch. This beginning 3 CH, 1HDC group counts as the 1st DC (see picture below)

Begin every round of SC with 1 CH, then make the first SC in the first stitch. This beginning 1 CH, 1 SC group counts as the 1st SC

Note 4

At the end of every round turn your work and start the next round as given in Note 3
Working round ends this way gives nice straight edges!

Picture of straight edge

The color changes for the cardigan:

Size 3 years:

Row 1-4 apple green
Row 5-8 hot pink
Row 9-12 light pink
Row 13-16 white
Row 17-20 brown-grey
Row 21-24 light blue
Row 25 until end white

Size 5 years:

Row 1-4; 28-30 light pink
Row 5-8; 31-33 hot pink
Row 9-12; 34-36 orange
Row 13-16; 37-39 violet
Row 17-20; 40-42 light green
Row 21-24; 43-45 apple green
Row 25 - 27; 46-48 turquoise

Instruction SIZE 5 years old child

Starting at the neckline, CH 108

Round 1: DC into the 4th CH from the hook (the first 3 CH count as the 1st DC here and throughout), then DC into every stitch across; 106 DC; turn work
