a knitting pattern by Kelly Brooker

**RED RIDING HOOD
YARNS**

"...all the better to knit with my dear"

Ode to Doris

a knitting pattern, designed by Kelly Brooker
originally for the Red Riding Hood Yarns 2014 Winter Yarn club

A tribute to the 'Dainty Doris' hat pattern, this newborn cardy showcases all the things we love about the 1950s; femininity, practicality, and (post war) newborn babies!

This pattern is written for 8ply/DK weight yarn, and to fit a newborn babe 3-4kg (7-9lb) in weight, with an approximate chest circumference of 37.5cm.

Construction

Ode to Doris has you cast on at the neckline, and work flat utilising raglan increases, and forming a rounded garter neck line, before working the lacework fronts, until you reach the required chest size. From here the arm stitches are put on to waste yarn (or a stitch holder), and the body finished. Once the body is completed, the sleeve stitches are returned to the needles and worked in the round, before finishing gathered at the elbow.

Skills required

knitting small circumferences in the round
long tail cast on
simple lace
working top down raglan construction

If you are not familiar with these techniques you may need to reference a knitting guide book, or view videos on the internet.

Abbreviations

k.....knit
k2tog.....knit 2 stitches together (a decrease)
kfb.....knit into the front and back of a stitch (an increase)
p.....purl
sl1p.....slip 1 stitch as if to purl
ssk..... slip one stitch as if to knit, slip one stitch as if to purl, then pass both stitches back to the left hand needle and knit both together through the back loop (a decrease)
yo.....yarn over (an increase; in this case used to create a buttonhole)

Gauge

(in stocking stitch)
22sts/10cm on 4.0mm needles

Materials

2x 12mm buttons
8ply/dk weight yarn (210-250m/100g)
This pattern is suitable for yarn with good elasticity and memory – a wool or wool blend.
Suggested yarn:
Red Riding Hood Yarns Belle (434m/200g)
0.5 skein

Equipment

80cm 4.0mm circular needles
(or needle size required to achieve gauge)
6 stitch markers
2 stitch holders, or small lengths of waste yarn
darning needle for sewing in ends

Note: if you are not working your sleeves via 'Magic Loop', you will not need an 80cm circular needle, however you will need whatever other needles you use to work small circumferences in the round (ie Double Pointed Needles)
