Weave in all ends.

Fringe:

Cut 216 7" pieces of each color. (648 total strands)

Bundle one piece of each color together and attach to every ch 3 space.

Changing Colors Tutorial:

After slip stitching to join round -

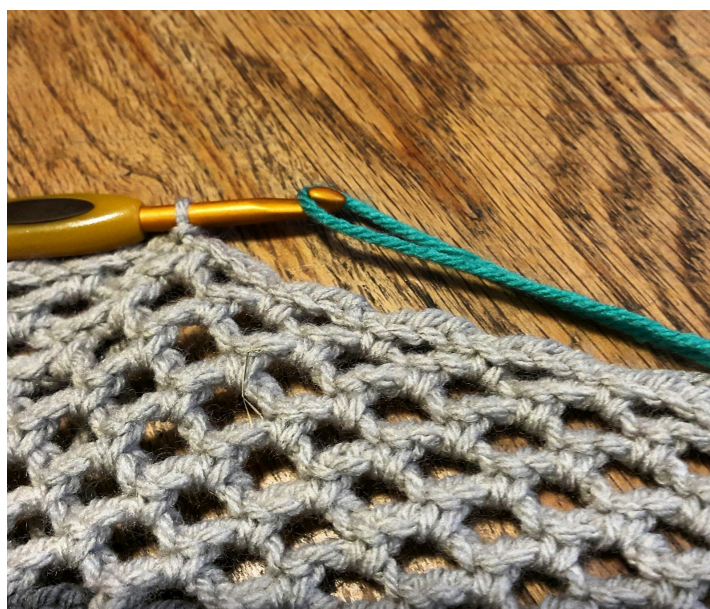

Step 1:

Cut yarn leaving a long enough tail for weaving in later.

Step 2:

Grab new color with your hook. Again, make sure your tail end is long enough for you to weave in later.

Step 3:

Pull new color through the loop on your hook. (This counts as a ch 1).

Step 4:

Insert hook into same stitch as join. Hold both tail ends close to work so you sc over them. This helps secure the project.

Step 5:

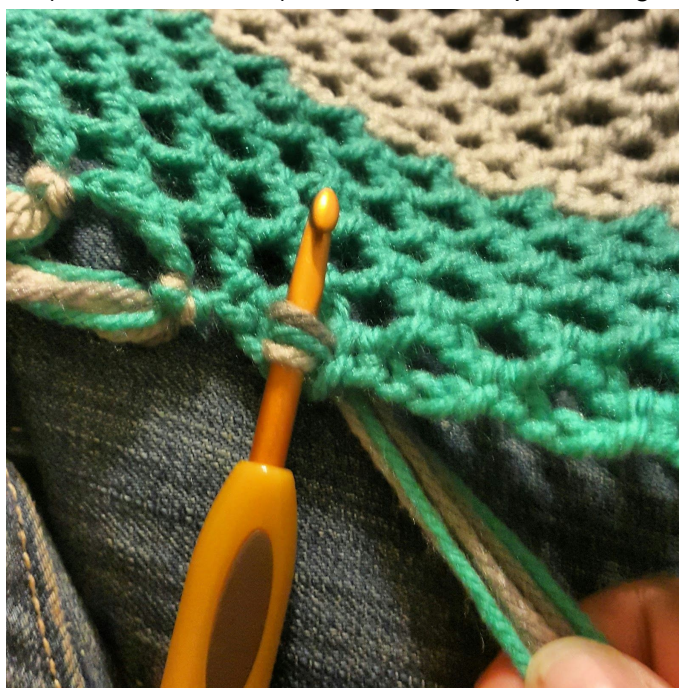

Finish off your sc. It should look like this. Drop your tail ends to the back. Now you're ready to begin working with your new color.

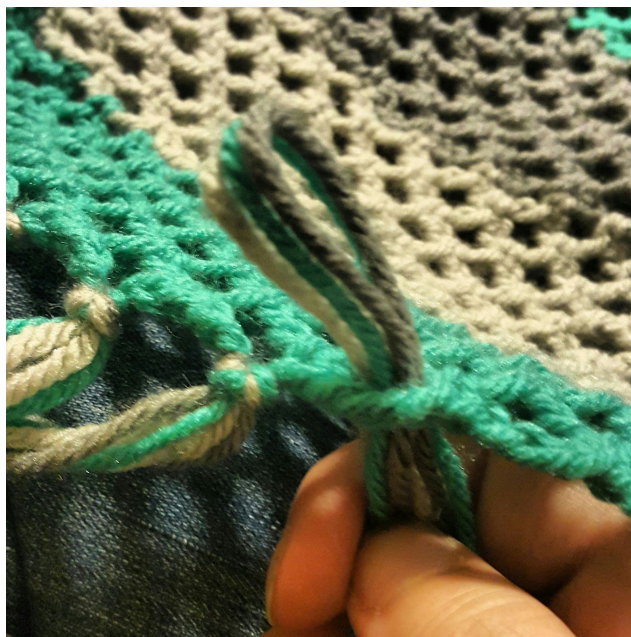

Attaching Fringe Tutorial:

Step 1:

Take 3 piece of cut yarn (one of each color). Fold in half and pull through ch 3 space.

Step 2:
Pull loop up keeping ends even.

Step 3:
Put all ends through loop.

Step 4:
Pull to tighten.
