

If you follow along on my facebook page you may already know that I love using patriotic decor all summer long. There's nothing like red, white, and blue decor to make me want to call up some friends or family and invite them to a BBQ or grab the kids and head to the beach for the day. This Mason Jar Utensil Holder Set is the newest addition to our outdoor dining. I put them out on Memorial Day and look forward to using them all summer long! And of course I wanted to share the crochet pattern with my crochet friends ...
