Double triple crochet (**DTR**)

**The Size** of the finished hat depends on the used material and your crocheting style as well. The patten is available in one size only. The hat fits perfectly to head circumference of approximately 58/60cm (22.8/23.5”), but from my point of view (as it is a summer hat) it also looks great if worn slightly loose on a head with circumference of 56cm (22”).

Fasten off and secure the ends.

### **Tie**

With light green color: make CH sts until the tie measures ~200cm (~78.5"). Cut off the yarn and secure the ends.

### **Flowers – make 3**

**Note:** For each flower I've use different colors for the stamens and the petals.

**Stamen:** make 5 SC into a magic ring. Fasten off and secure the ends.

**Petals:** join contrasting color at any st from the stamen. In every SC st make: \*CH 4, 3 DTR, 1 DC, SlSt to the next SC of the working round\* - repeat it though the entire round (5 times in total).

Fasten off and secure the ends.

### **Leaf – make 2**

**Note:** Use dark green color yarn.

CH 8, make 1 DC into the second st from the hook, 1 DC in each of the next 2 sts, 1 TR in each of the next 3 sts, 1 DC in each of the next 2 sts, CH 1 and continue working on the other side of the chain row as follows: make 1 DC in the first st, 1 DC in the next st, 1 TR in each of the next 3 sts, 1 DC in each of the next 2 sts, join with SlSt to the top of the first DC st.

Fasten off and secure the ends.

### **Finishing**

**Note:** *If you would like your hat much more colorful, you can make bigger flowers and leaves (by using thicker yarn or hook) or just increase their number. I just wanted my hat as simple as possible and that's why I decided to use only 3 flowers.*

Place the tie two times around the hat. Make a knot.

Fix the tie by sewing it gently on one side of the knot, leave the other part free, so that you can adjust the size of the tie if needed.

Use sewing needle and thread in suitable color (I've used light pink color thread) to sew the flowers and the leaves on the desired positions (be careful not to block the movement of the tie).

**Happy crocheting :o)**
