HYDRATE!

A crocheted water bottle holder

Copyright © 2006 by Patti Gonsalves

Published in the June 2006 [Crochet Me](#) newsletter

Water's important no matter the weather. This water bottle holder keeps your H2O close by and your hands free. It's a quick hook and uses just a ball of cotton yarn. You can sport this over one shoulder or make the strap a little longer and wear it across your chest.

This pattern is for your own personal use. However, feel free to pass on the link to this website to others. Persons interested in a commercial license may [contact Patti](#) for further information.

Materials needed:

- J & P Coats, Royale Fashion size 3 Crochet Thread, or any fingering weight cotton (150 yards / 137 meters per ball), Tangerine, 1 ball
- 3.75 mm (US size F / 5) hook
- Yarn needle

Finished Measurements: Holds a standard 16 (24) ounce water bottle. Directions are given for smaller size, with changes for larger size in parentheses.
